### CITY BUSINESS

#### Water & Sewage

Citizens who are having their household sewage being (000034) processed by the City of Keysville without properly notifying City Hall have until November 30, 2016 to connect to the City Sewage and Water. Failure to do so will result in the disconnection of the sewage pipe line.

Chaper 12, Section 2 of the Charter states, "The City must create the appropriate information and forms to allow for strict adherence to the official City of Keysville Procedure for Requesting Sanitary Sewer Service. As part of this procedure it must be mentioned that no customer is allowed to obtain Sewer service without having City Water." If you only have one service please connect to the second service by the deadline date.

Please **DO NOT** tamper with the water meters. Water meter are City property and any tampering with City property could result in a Fine.

Now accepting credit cards in person or over the phone (There is a

\$2.00 fee for this service)

Please if your "Water Bill" is not paid on or before the 25<sup>th</sup> there will be a late fee of \$5.00

### BEAUTIFICATION

**Building & Houses:** If own any homes that the citizens have no use for or longstanding and unhealthy for habitation, please contact city hall in regards to having the building demolished at **no cost** to you.

### SAFETY

#### LAW AND ORDER

##### Drag racing and speeding:

Drag racing and speeding are prohibited on our city streets and especially in our neighborhoods.

This is dangerous and could have fatal results. Please be mindful that we have children playing in the area, elderly drivers, and a steady flow of other drivers on our city streets. So, let's stay safe and take our races to the track. We don't want to ever hurt the people we know and love.

# Happy Thanksgiving!
